9:00-9:30 – Waves G, H, I, J

Instructions and driving directions on reverse side.

Many roads are closed - Do not use GPS or SIRI

Take I-25 to Speer Blvd. Head NW on Speer to 26th Ave. Go West on 26th to Kendall St. Turn left on Kendall to go South. Continue south on Kendall to between 16th and Colfax – enter the large parking lot right to the West (turn right) – and park on the west side nearer Casa Bonita.

There will be various commercial lots available for parking around Pierce and 14th. You can cross Colfax on foot

Take 6th Ave to the Kipling exit. Take Kipling North to 26th Ave. Turn right to head East on 26th Ave and follow to Kendall St. Continue south on Kendall to between 16th and Colfax – enter the large parking lot right to the West (turn right) – and park on the west side nearer Casa Bonita.

No cars will be allowed to cross Colfax Ave. or the rest of the marathon course as shaded in pink below!

How to take RTD back to your car from the Finish Line

After Beer, BBQ, and Fun in City park, you can take RTD free back to your car with your tear off RTD ticket.

RTD Route Back to your car: Much easier this year! Walk 2 blocks to Colorado and Colfax. Catch the WESTBOUND #15 LIMITED (“15L”) which is on Colfax at the northeast corner of Colfax and Colorado. Busses start at 11am and are every 15 minutes (earlier busses are at 13th and Colorado due to the race detour and must be flagged down). You will transfer at the Decatur Federal Station to the westbound W-Line (light Rail), which departs every 15 minutes. Take the W-Line to Lamar Station, which is at Lamar and 13th. Walk 2 blocks north to your car. **These directions will also be on the back of your bib.** You can visit the INFO booth in the center of the village for questions.

Many roads are closed - Do not use GPS – Use the above directions
