PRESENTED BY  Cigna.

## Alternative Packet Pick-up Agreement

### INDIVIDUAL RUNNER

I, \_\_\_\_\_, have signed my electronic waiver and authorize \_\_\_\_\_ to pick up my 2023 Denver Colfax Marathon race packet in my absence. I have provided a copy of my ID to my designee to show at the Expo, and a copy of my race confirmation and understand the designee will turn in this form, the confirmation and show the copy of my photo ID in order to pick up the packet or merchandise.

Colfax Athlete Signature (person wanting to have a designee): \_\_\_\_\_

Designee Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### RELAY TEAM CAPTAINS

Captains, if you want to designate another team runner to act as captain and to pick up your team's 2023 packet and items, please fill out this form and provide it to your designee with a copy of your ID to show at registration. The runner will need to turn in this form – and show a copy of your photo ID. As team Captain, you are still responsible for ensuring your team runners have signed their waivers. Note that we do not recommend “picking up for the team” if you are a NEW team, as it is very important for NEW teams to spend time in the relay area to learn all aspects & logistics of the relay.

Colfax Captain Signature (person requesting another to pick up): \_\_\_\_\_

New designee Signature (the person who will pick up for the entire team or a subset of the team):

\_\_\_\_\_ Date: \_\_\_\_\_

*Note: it is this person's responsibility to communicate with team runners to ensure the entire team's materials are picked up.*

**Designated parties will proceed to the Expo at Empower Field at Mile High; Friday, May 19 or Saturday, May 20, and pick-up the packet in the same manner as registered athletes.**
